Dear Parents and Students,

Charleston County: A Community of Readers applauds you for your interest in the COR Home Awards Program. The Home Awards Program is a fun and effective way to improve your personal skills in reading, writing, listening and speaking as well as deepen your love and enjoyment of reading! As you incorporate these COR Home Standards into your daily lives, you will also strengthen your relationships with family members and friends and learn more about others and the world around us!

Begin this year by talking with your family about the COR Home Standards and plan how you will incorporate them into your family life. Keep a notebook of how you are addressing the Standards and revisit your notebook every month to see how you are coming along. When it is time to turn in your application in March, it will take no time at all to complete and polish!

The Community of Readers wishes you much success in completing the Home Awards Standards this year. Happy reading to your entire family! Please visit [www.charlestonreaders.org](http://www.charlestonreaders.org) for more information about our organization.
